

Single touch

Two-point zoom

Multi-point movement

Wipe back

Custom whiteboard background

Handwriting color thickness optional

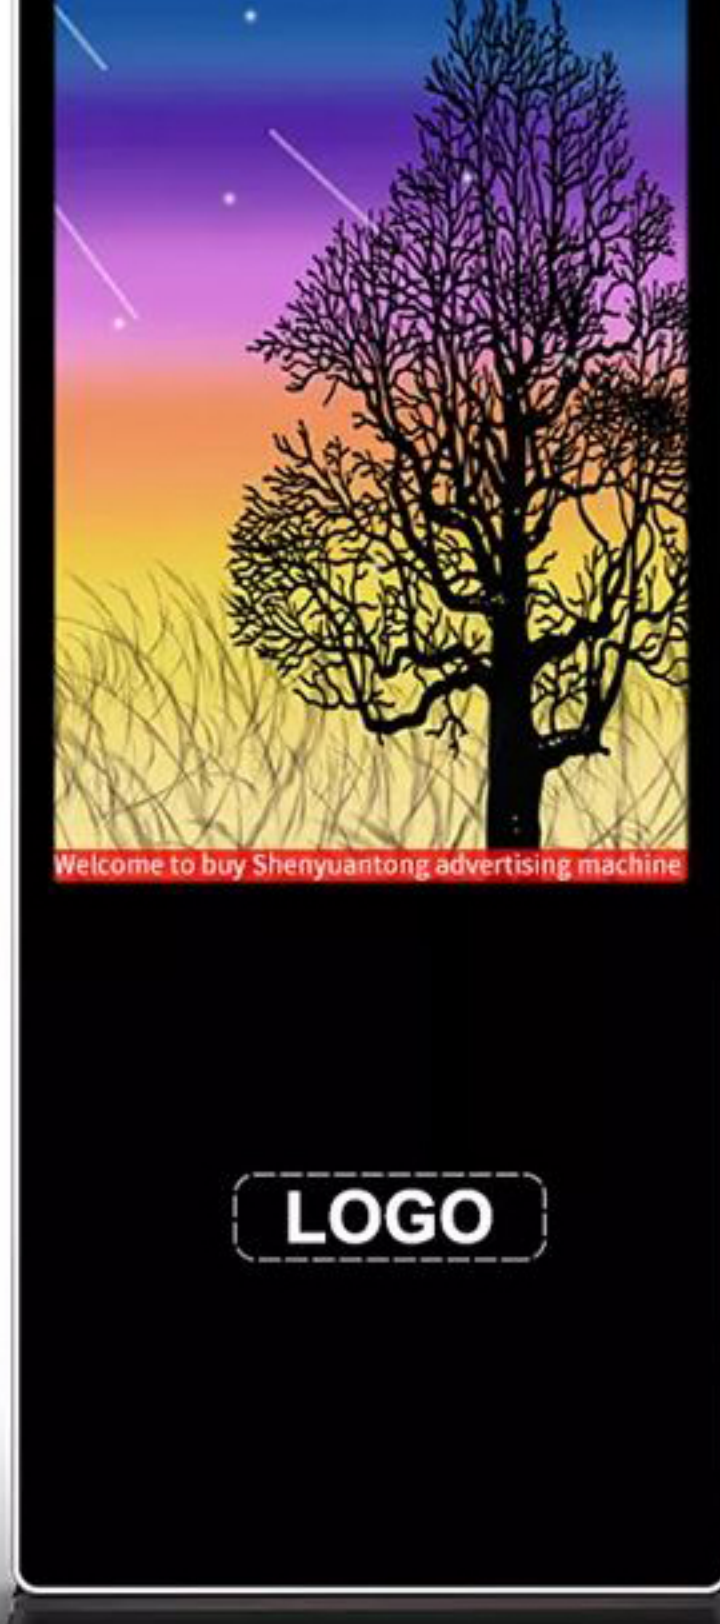

Product Dimensions

Split screen design

Android version support multiple split screens mode. Pictures and video can be simultaneously played.

Support video,pictures,scroll subtitles.

Original Tempered Glass

2-6 mm tempered glass panel, heat resistant and explosion-proof

Metal Case

Durable, high anti-interference ability, heat resistant

High Grade paint treatment

Rustproof, anti-magnetic, anti-static paint etc. (color is optional)

Rear Panel

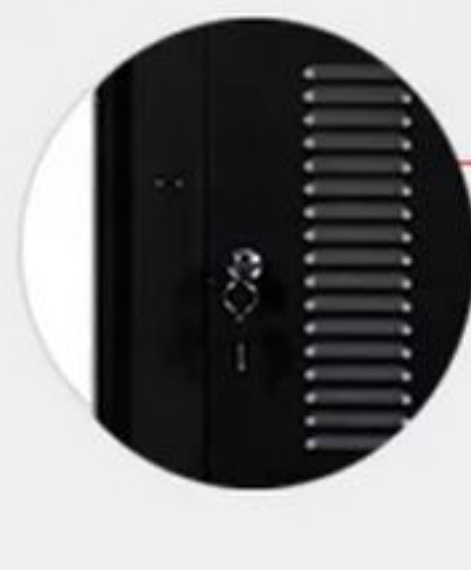

Cold-rolling steel sheets technology, high intensity, efficient heat dissipation

HD Panel

Present exquisite image with high resolution

Easy maintenance

Each module is designed independently, easy to assemble and disassemble, convenient to maintenance

Double Alarm System

safe and secure, Lock prevent your digital signage and storage device from stolen; support power-on password

Built-in loudspeaker

Stereo audio output

디스플레이 화면	43 "TFT LED 백라이트
전시 비율	16:9
컬러	16.77M 색상
디스플레이 지역	941.184*529.416mm
해상도	1920*1080
밝기	450cd/m2
대비	4000:1
시야각	178 ° (수평한/수직)
수명	이상 50,000hrs
전압	DC12V/AC100-240V 50/60Hz
전원	80W
작동 온도	0 °C- 35 °C
작동 습도	5% 90%
크기	1810*592.8*20mm
중증량	35KG
